

**What would you do if you knew you couldn't fail?**

## **Explore your power to make a difference** 12 week course for your church or small group

- ✓ Energize your church
- ✓ Discover your amazing power to make a difference
- ✓ Connect with people who will help you
- ✓ Learn how to extend your influence
- ✓ Change your community; change your world
- ✓ Make a difference

If you want your life to count and you want to make a bigger difference, this is your place to plug in. We'll explore your power to make a difference, create a safe place to talk about your dreams, look at our spiritual journey, learn about personal transformation, explore how to discern God's calling, take a look at what God has placed inside you (gifts, accomplishments, relationships), examine the kind of faith it takes to change your world, discuss skills that empower you to make a difference. Although these 12 weeks will be content rich, the real focus will be on connecting you with people and tools that will empower you to change your world long after the 12 weeks are over.
